

KC 544

Designer	Marianne Cusato
Bedrooms	2
Bathrooms	1
Ceiling height	9 feet
Conditioned living area	544 sq. ft.
Overall dimensions (including porch)	44'-0" long x 16'-0" wide
Notes	Compact and efficiently planned, this 2 bedroom cottage is perfectly sized to sit on the back of a lot as a guest house, or clustered with other cottages to create small villages.

Renderings are approximate and are not literal representations of the designs. Designs are subject to change without notice.
